## New WWA Distance Riding/Driving Award Program

by Kim Sizer

The WWA's Distance Riding/Driving Award Program provides a source of recognition for owners, riders, and horses who enjoy the benefits gained from pleasure trail riding/driving on a regular basis.

Awards will be presented in two divisions: Horse (one horse and rider pair) or Rider (one rider, any number of horses). Owner(s) of horse(s) ridden and riders must be members in good standing of the WWA during the time the hours are accumulated. Horses in the Rider division must be registered Tennessee Walking Horses. The cost is \$10 per horse or rider per division per year. Annual renewal fees are \$10 per division with paid WWA membership. This program is based on the honor system. Any person knowingly falsifying information will be disqualified, no refund of fees will be issued, and future enrollment requests will be denied.

Riding hours are recorded in the horse's/rider's Log Book, which are supplied by the WWA upon receipt of the application. The Log Book is the horse's/riders official record, used to list each registered horse ridden for logged hours and to record complete riding hours. Each horse/rider will have their own Log Book.

Hours may be logged for any trail ride. Hours spent driving a horse may also be logged. To log riding/driving time, a minimum of one hour must be ridden; every half hour thereafter is qualified to be logged. Logged time consists of hours spent in actual forward motion.

The program year runs November 1 through October 31. Logbooks must be submitted and postmarked by Nov. 30 for hours to be totaled for award consideration. Awards will be presented in January.

Hours are accumulated throughout the horse's or rider's lifetime with recognition noted at the following levels of accomplishment:

- 50 hours    • 100 hours    • 250 hours
- 500 hours    • 1000 hours

At each award plateau, Log Books must be returned to WWA to receive awards. Log books will be recorded and returned. Horses' and rider's accomplishments will also be acknowledged at the annual award night in January as each level is reached.

---

Upon receipt of the application below, a Log Book will be sent to you immediately! You may begin recording logged time upon receipt of your Log Book. For more information please contact: Kim Sizer at 920-674-3715 or email: [sizerjk@gmail.com](mailto:sizerjk@gmail.com)
